

# Grow equally

Europeiska jordbruksfonden för  
landsbygdsutveckling: Europa  
investerar i landsbygdsområden

Of the agricultural companies, 17% are owned by women and 83% by men. These are facts. We intend to change that. Because gender equality and profitability are linked.

Budget 350 000 €

## Our way of working

### Network

Country wide regional groups of female farmers working collectively to increase the equality.

### Digital learning

Online knowledge resources for farmers and suppliers about how and what small changes can increase the equality.

### Certificate

Business that have done the digital courses earn a badge of equality. For increased status in bank or customer contacts and in the CSR work.
